

Build Your Future in Construction

Apply for the 2026 Power Construction Scholarship

Power offers scholarships to high school seniors in the Chicagoland area who plan to pursue a construction management-related degree in college. We're excited to help you launch your career with confidence from the start.

Eligibility:

- Anticipated graduation from a Chicagoland area high school
- Intent to pursue a Bachelor's Degree in Construction Management, Construction Engineering, Civil Engineering, or a related major

About the Power Scholarship Program

Power Scholarship recipients benefit from ongoing support throughout their college journey. This includes mentorship from Power team members, connections with alumni and professors, industry networking, job search coaching, resume and interview prep, job site shadowing, and consideration for internships and full-time roles.

About Power Construction

Founded in 1926, Power is a management-owned construction company serving the greater Chicago metro area. We're known for being a trusted partner and for our simple **why** - *have fun wowing people*. By understanding the needs of clients, architects, subcontractors, employees, and community organizations, we work hard to exceed expectations every day.
